

Let's make it possible – for every foster child to thrive!

JUNAID & WASSIA
FAMILY FOUNDATION

Our Story

Every child deserves to feel safe, supported, and hopeful. Yet many foster youth face loss, instability, and barriers that dim their futures.

That's why the Junaid & Wassia Family Foundation (JWFF) was created, to walk alongside these children and caregivers with compassion, encouragement, and real opportunities to heal and grow.

What we do

📖 **Educate to Empower** – Tutoring that sparks learning and confidence

⚽ **Dreams in Motion** – Giving every child the change to play sports

- 1 in 3 foster children struggles in school.
- 80% face mental health challenges.
- 20,000 age out every year without a support system.
